RE: Certifications of Compliance, Children's Television and Closed Captioning Rules
4th Quarter (October 1, 2018 to December 31, 2018)

Dear Mr. Zack,

Please accept this letter as written certification warranting The Korean Channel's compliance with the Children's Television Act of 1990 and the closed-captioning requirements of Section 713 of the Communications Act, and the Federal Communications Commission rules implementing these acts. The Korean Channel does not carry children's education programming on our broadcasting television and we do not provide Closed-Captioning service.

From what I understand, we are exempt from this requirement because we were below \$3mm of revenue during the past calendar year, however, we do currently provide subtitles for approximately 70% of our programming.

Please let me know if there are additional steps we need to take to be compliant.

Sincerely,
Sam S. Han

Ladies & Gentlemen:

You have recently requested information from us to assist you in your record keeping obligations respecting (i) the commercial limitations imposed on children's programming by the Children's Television Act and (ii) the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We trust that this satisfies your request.
